Article 1

For a simplified school-leaving procedure and to avoid disputes, *TKU Regulations for School-Leaving Procedure* are formulated in accordance with Articles 25, 27, and 50 of the *TKU Study Regulations*.

Article 2

Following a student's registration and enrollment at the University, in the event of withdrawal or graduation, the student is obliged to complete the school-leaving procedure as specified in the University's Withdrawal Application Form and Graduation School-Leaving Procedures Form. The student must obtain the necessary endorsements from each listed department and return the original, fully endorsed forms to the Center for Registration-Curriculum Development under the Office of Academic Affairs to complete the school-leaving procedures. Only upon completion of these procedures may the student apply for a Certificate of Study or collect their degree certificate.

Article 3

The regulations will take effect on the date of the publication after being passed in an academic affairs meeting. The same applies to any later regulations made.
